**Recap (Eric)**

- Programs for 2018-19 season. Only order 400. Also discount ad for Krista Hartig of Edina Realty by \$250 on \$750 package for 2018-19 season as we forgot to include her ad in the Boys program this past season.
- Introduction of new board members for 2018-19 season. In-coming VP, Kurt Quaintance and in-coming Secretary, Michele Eernisse

**Equipment (David Kratz)**

Will be ordering new white and black team jerseys for the 2018-19 season. First time since hockey program started at EVHS that we will be ordering all new jerseys for the boys. Looking to order jerseys #'s 1-38 with 4 goalie jerseys through Gemini. Will purchase jerseys through the school as we get tax benefits and insurance protection should something happen to the jerseys when being washed, etc... Talking about using some of the funds set aside for the locker room to pay for jerseys, but might not need to.
